Glutenfreeda Foods ~ Gluten-Free Instant Oatmeal, Burritos

10/24/2008

BURLINGTON, Wash.—[Glutenfreeda Foods Inc.](#), a leading wheat and gluten-free food manufacturer of gourmet gluten-free products, introduced a new line of instant oatmeal made with certified gluten-free oats and gluten-free frozen burritos that will be available in stores nationwide in early 2009. Glutenfreeda Foods developed the new instant oatmeal and burritos with natural and organic ingredients by producing them in a dedicated gluten-free facility to eliminate any potential for cross-contamination, which poses a serious health risk to those with gluten intolerances and allergies.
